ORDER OF COURT

AND NOW, this 26th day of August, 2009, upon consideration of PLAINTIFF'S
OBJECTIONS TO THE REPORT AND OPINION OF MAGISTRATE CATHY BISSOON
DATED AUGUST 17, 2009 (Document No. 249) in which she granted additional discovery time
to the parties and established a summary judgment filing schedule while denying Plaintiff's
request for telephonic depositions and preservation of evidence due to alternative means of
accomplishing the requested relief,

NOW THEREFORE, the Court finds after due consideration of the Plaintiff's motion and

the rulings by the Magistrate Judge on the subject matter, that the Magistrate Judge's Orders were not clearly erroneous nor contrary to law and Plaintiff's Objections thereto are

OVERRULED and DISMISSED.

BY THE COURT:

s/ Terrence F. McVerry

United States District Court Judge
